### ONSITE TRAINING – WE CAN COME TO YOU

Bookings for 10 or more participants can be facilitated on site. For further information or to obtain a quote contact ABIA on 3 9830 0677 or email [info@abia.net.au](mailto:info@abia.net.au)

These workshops are suited to educators & support staff working within mainstream or specialist schools as well as ELC’s & kindergartens. Workshops are conducted face-to-face by a behavioural expert and include video examples, role play examples, case studies, and tips and strategies for aided and unaided ASD children. The workshops are aligned with the Australian Professional Standards for Teachers and can contribute towards VIT annual renewal requirements.
