Autism Behavioural Intervention | **ABIA**  
ASSOCIATION

## MAKING IT WORK with an ASD child (Classroom)

Focusing on behavioural methodologies, ABIA's 1 day '**Making it Work**' training program equips educators to respond confidently to the challenging behaviours and changeable needs of children with autism.

*Making it Work* is the perfect teaching tool for children with autism and it's equally as practical for your whole classroom.

Designed specifically for teachers and support staff by an autism educator and a qualified psychologist, this highly popular one day course incorporates practical classroom and playground strategies:

**Topics covered include:** Theory of Autism Spectrum Disorder; Understanding Challenging Behaviours; Behaviour Management Strategies; and Developing Social Skills.

*Making it Work* is aligned with the **Australian Professional Standards for Teachers** and will contribute towards VIT annual renewal requirements.

VENUE	TIME	COST	CONTACT
Autism Behavioural Intervention Association Level 1, 121 Maling Rd Canterbury VIC 3126	9.30am – 4.00pm (dates below)	\$245 (GST inclusive)	<a href="mailto:info@abia.net.au">info@abia.net.au</a> 3 9830 0677
