

## MAKING IT WORK with an ASD child (Early Childhood)

Focusing on behavioural methodologies, this 1 day workshop equips early childhood educators to respond confidently to the challenging behaviours and changeable needs of children with autism. *Making it Work* is the perfect teaching tool for educators who work with children with autism and it’s equally as practical for your whole kindergarten or ELC.

### Topics covered include:

- Theory of Autism Spectrum Disorder
- Understanding Challenging Behaviours
- Behaviour Management Strategies
- Developing Social Skills

**Making it Work** is aligned with the ‘Australian Professional Standards for Teachers’ and will contribute towards VIT annual renewal requirements.
