

ABIA is a not-for-profit membership based organisation providing information, training, and support to parents, carers, and professionals working with individuals with Autism Spectrum Disorder (ASD). ABIA is committed to raising awareness of Applied Behaviour Analysis (ABA) as a comprehensive and effective method of care and treatment for individuals with ASD as well as broadening public perception and understanding of ABA as a scientific, evidence-based intervention.

ABIA is a member-based organisation that values its membership support. As the number of autism diagnoses increases each year it is vital for ABIA to remain sustainable to continue to provide the training and much needed support individuals require.

By becoming a member you are supporting ABIA to contract the best Psychologists in the field of autism to write and deliver our successful training packages, which not only provide practicality but also peace of mind. Other member benefits include; concessional rates for events, training and seminars, monthly e-alerts, access to the resource library, funding information, Service Provider and therapist lists, all which save members time and money.
